Subject: Written Testimony for Bill HB-5724 - Public Hearing 2/13/13

To: Steve Cassano, Jason Rojas and the Planning and Development Committee:

Please consider and enter this as my written testimony for HB-5724

I support the passage of this bill so Bridgeport can adhere to its city charter!

Currently, the extensive conflict of interests that exist on the elected City Council make it almost impossible for decisions to be made for the benefit of the citizens of the City of Bridgeport and not the personal benefits of City Council members and their families.
